# WINTER REGISTRATION

## IT'S HERE

Registration is open until December 21st.

We are thrilled to see so many new and returning members registering for the winter season. Our coaching staff have been working hard to bring out more and more classes. From Single-Day to specialized Trampoline classes, there's more possibility than ever before!

Program waitlists are back! If you don't get into the class that you want, you can join the waitlist for it for the best chance to get in. Classes are filling up fast so don't wait!

## TECHNICAL OUTAGE

Technical Support is working as hard as they can to fix the problem preventing many members from finishing check-out when selecting Credit-Card.

**If you are affected by this outage**, please select E-Transfer instead so that you can finish check-out.

## Featuring . . .

DDGC's board Vice President, Stephanie, is a key person here at our club! She is responsible for all the grants we have received in the past two years, including the big one for the new floor and other equipment.

We are so lucky to have Stephanie's dedication and countless hours of hard work to benefit all our children! We are so thankful to have you as part of our Nonprofit team Stephanie, all the best to you!
